

# Cryptic Snowflake 2025-01

Darren Miller

Some wintry fun, what might help you warm up? (5)

Answers are filled in three directions: up-right, down-right, or down.

## Up-Right:

- |    |   |    |  |
|----|---|----|--|
| 5  | Time involved in therapy (3)                                | 24 | Stayed angry and resolute (6)                                  |
| 7  | Sick after Monday's grind (4)                               | 25 | Strong pants: they're handed down from parents, reportedly (5) |
| 10 | Tenor and alto confused everything (5)                      | 26 | All of us following article with amazement (3)                 |
| 14 | Call for help from athlete going left to right (6)          | 27 | Throw away mold (4)  |
| 17 | In Spain, the alien bored by college is put into office (5) |    |  |
| 20 | Semesters basically! (5)                                    |    |  |

## Down-Right:

- |    |  |    |  |
|----|--|----|--|
| 4  | Polished museum features regularly with scrap of towel (5)   | 13 | Some popular Uruguayans returning to country (5) |
| 6  | Sorry! Leaving Ayers Rock. Moving to Black Forest, maybe (4) | 16 | Fancy skirt added to empty box (6)               |
| 8  | Press release from fantastic Pennsylvania duet (6)           | 17 | Look both ways (3)                               |
| 11 | You bet second, following you in the past (3)                | 21 | Batch of candy for the audience (5)              |
| 12 | Mixture of wind over lake (5)                                | 23 | Unfinished melody for those people (4)           |

## Down:

- |   |   |    |   |
|---|---|----|---|
| 1 | According to the Reverend, more than nine ask for excess (6)      | 15 | Camouflage skis Tammy brings up every so often (4)            |
| 2 | Gnat flying around yours truly is huge (5)                        | 18 | Intense situation caused by a short man holding up doctor (5) |
| 3 | Extract of lilac to relax someone with multiple personalities (5) | 19 | Feature of Netscape uncovered needing repair (6)              |
